RULES AND REGULATIONS

Name: _____

Address: _____

City: _____

After picking out your cemetery lot, you will be required to put four (4) corner stones in to mark your grave lot.

Due to a few unmarked graves, a flat stone with the person's name on it is required within one (1) year of the burial.

All digging of graves must be done by the town's gravedigger and paid for before disturbing the ground.

There will be no burials in any lot once the ground is frozen or snow cover is present.

There will be **NO** planting of permanent shrubs, trees or perennials allowed.

NO glass containers will be allowed on graves due to breakage.

Below please state where person(s) are going to be buried in this lot.

If you have any questions or concerns please contact the Cemetery Trustees or the Town Office.
