18 decision. He then asked Mr. Mock to present his application.

20 Mr. Mock informed the Board that he planned to put the porch on one of his rental properties at 1340  
21 Pleasant Street. The house was approximately 44ft from the road and would extend out an additional 8ft.  
22 Chairperson Bender stated that this would make his request a special exemption rather than a variance.  
23 Mr. Mock continued that the view of the porch would be blocked from the road by 3 large maple trees  
24 and a stone wall. Member Blake asked if he planned to cut any of the trees down. Mr. Mock responded  
25 that he had to trim one back and there was another that was dead that would be removed.

26  
27 Member Larochelle asked what the porch would be made from. Mr. Mock responded he planned to use  
28 pressure treated wood and would shingle the roof. He would also be using pre-cast piers. Member  
29 Larochelle asked if there were any plumbing or electrical lines under the area of the proposed porch. Mr.  
30 Mock responded that the electricity came to a different area of the house and described the location to  
31 Member Larochelle. He also pointed out that the leach field for the house was on the other side of the  
32 building.

36 Hearing no further questions from the Board he opened the meeting to public comments. Hearing no  
37 public comment, he closed the hearing, and the Board began its deliberation.

38  
39 Chairperson Bender stated that he saw no reason to deny the request. Member Larochelle asked anyone  
40 who knew if there was any future plan to widen the road. Chairperson Bender responded that he was not  
41 aware of any and they could ask the Road Agent. Member Blake asked if the porch would affect snow  
42 maintenance. Mr. Mock responded that it was not likely because the plow would need to go through the
