

Webster Agriculture Commission Minutes

Tuesday 4 February 2014

7PM @ Webster Library

Present: Marty Bender, Guy Larochelle, Bill Bowe and Jaye Bowe

Excused: Sue Roberts, Sue Roman

Meeting called to order at 7:15 PM

- Last month it was decided to move the Ag Comm meeting to the **first Tuesday of the month** to better accommodate members. The town website has been updated to reflect the change. My sincere apologies for not getting this info out in a timely manner.
- We discussed Mason's suggestion of a one-day farmers market. Mason will be joining us at our April meeting to fine tune this idea. The members showed great interest in this and look forward to learning more.
- Jaye will be in touch with Sarah Chalsma to discuss her needs for supplies for the school gardening project.
- Jaye will write copy for the Grapevine to see if there is any interest in a community garden and possibly get suggestions from those folks as to where they feel it could be or how far they are willing to travel to it.
- Jaye will also contact the trustees at the Congregational Church to see if they will be willing to host a community garden in the back lot behind the food pantry. Gardeners will be asked to donate something from the gardens to the pantry if they have more produce than they may need.
- The next step would be finding a volunteer to turn the grass into a gardening plot.

Meeting adjourned at 8PM.

**Our next meeting is Tuesday, 1 April 2014 at the Webster Library at 7PM**
