Select Board Meeting – March 12, 2015 – Work Session

Select Board present: Chairman Roy Fanjoy and Selectman Roger Becker. Selectman Johnson was not in attendance.

4:01 pm Chairman Fanjoy opened the meeting.

The purpose of this meeting was regarding the power point presentation planned for the beginning of Saturday's Town Meeting, which notes some of the changes over the past year. The Board was requested to add the amendment to the petition article to this presentation, which Selectman Johnson has already done regarding Warrant Article #13. Updated material was brought in by Tara Gunnigle with a copy of the amendment to the petition article and additional information to go with it and requested that copies be made to be handed out at the Town Meeting on Saturday. Chairman Fanjoy and Selectman Becker did not feel that copies should be made at the office. Therefore, Chairman Fanjoy made a motion to not print the requested material; seconded by Selectman Becker and unanimously approved.

Chairman Fanjoy advised that he signed a letter to Copart regarding the road posting in the near future, to be delivered by the Police Department. With the letter is a copy of the "Traffic Rules and Regulations". Road Agent Emmett Bean advised that the roads will be posted tomorrow and as of Monday morning at 7:00 am it will be enforced by the Police Department. The postcards to fuel vendors will go out tomorrow.

The Board acknowledged the communication from Peter Swislosky regarding the snow removal around the generator at the Public Safety Building. This will be on the 3/16/15 agenda.

4:11 pm Selectman Becker made a motion to adjourn; seconded by Selectman Johnson and approved.
