

TOWN OF WEBSTER
Energy Committee

March 13, 2013
Meeting

Members in Attendance: Chairman Marty Bender, Chief Bob Dupuis, and Selectman Bruce Johnson. Merrimack Valley School District Representatives in Attendance: Fred Reagan and Neil Barry.

1. James Hasselbeck, Project Manager, ReVision Energy, presented information on solar panels for the Town of Webster Safety Building and for the Webster Elementary School. The Energy Committee will meet with the Selectmen next Monday to present the project. The Merrimack Valley School District Representatives will meet with the School Board. Next steps will be determined after those meetings. Public hearings will be presented.

Next meeting to be April 10, 2013, at 6:30, at the Town Hall. Agenda items to include: wood pellet furnace for the Town Hall, solar panels for the Safety Building, and anything else that comes before the Committee. Please send agenda items to Chairman Bender.
