

Energy Committee  
Meeting Notes  
May 8, 2013

Members in Attendance: Chairman Marty Bender, Selectman Bruce Johnson, Dee Blake, Jere Buckley, Emmett Bean.

1. Ed Bender from Sundance Solar shared additional informational on the solar panels for the flagpoles. He started with security of the systems. Members to check out the Memorial flagpole site to determine a possible spot for the metal post for the solar panel and for the light. Marty to meet with Unitil representatives for a breakdown of all Town Hall meters. This information will be used to determine how to proceed at the Town Hall.

2. Wood chips heating system for the elementary school with a connection to the Town Hall. PUC sent out an application for grants with a June 7 due date. Fred Reagan to meet with the MVSD school board about how to proceed. Marty to meet with Fred afterwards about how to proceed.

Next meeting to be June 12, 2013, at 6:30, at the Town Hall. Agenda items to include: solar panels for the flagpoles, heating system for the Town Hall, solar panels for the Safety Building, , and anything else that comes before the Committee. Please send agenda items to Chairman Bender.
