

Town of Webster Energy Committee
Meeting Notes
October 10, 2013

Members in Attendance: Chairman Marty Bender, Chief Bob Dupuis, Selectman Bruce Johnson.

1. Veteran's Memorial flagpole Electrician Scott Swett will be putting in the dusk to dawn timer and a new LED bulb soon.
2. Town Hall flagpole Electrician Scott Swett expects to be making the changes to the Town Hall outside lights next week.
3. Solar Power Energy Websites for members to look at:
Revolution Solar Systems - <http://www.rev-en.com/>
4. Jim VanValenburg contacted Marty with new information about the wood pellet furnace for the Town Hall. Will discuss more at the next meeting.
5. Electrical savings At this point, with the cancelling of two accounts, it looks as though the Town will be saving \$58 per month or about \$700 per year.
6. Solar Power for the Safety Building and the Blackwater Dam. Marty to contact Revision for the possibility of completing systems at both sites. Bruce to look into authorization to use Blackwater Dam property for energy sources.

Next meeting to be Wednesday, November 13, at 6:30, at the Town Hall. Agenda items to include: Town Hall lighting, the Memorial flagpole, Revision contact on Safety Building and Blackwater Dam, Revolution Solar Systems, Town Hall heating system, and anything else that comes before the Committee. Please send agenda items to Chairman Bender.
