

Town of Webster Energy Committee

Meeting Notes

December 11, 2013

Members in Attendance: Chairman Marty Bender, Chief Bob Dupuis, Selectman Bruce Johnson, Dee Blake.

1. Blackwater Dam - Bob has made contact with the Army Corp of Engineers who will study options for Webster and attend the next meeting to share.

2. Town Hall lights – Accounts not needed have been turned off. Both flagpole lights are now set. All work on this project has been completed at this point.

3. Solar Power Energy Websites for members to look at:

Revolution Solar Systems - <http://www.rev-en.com/>

4. Safety Building Solar Panels – Marty to look for a rough cost estimate to put solar panels on the Safety Building. Will also look at PUC incentive programs and USDA matching grant applications.

5. Marty to contact Jim VanValenburg for new information about the wood pellet furnace for the Town Hall.

6. Bob to contact Rockingham Electric concerning Safety Building options

Next meeting to be Wednesday, January 8, at 6:30, at the Town Hall. Agenda items to include: Blackwater Dam options, Safety Building Solar Panels, Revolution Solar Systems, Town Hall heating system, and anything else that comes before the Committee. Please send agenda items to Chairman Bender.
