

Town of Webster Energy Committee
Meeting Notes
July 10, 2013

Members in Attendance: Chairman Marty Bender, Chief Bob Dupuis, Selectman Bruce Johnson, Jere Buckley.

1. Veteran's Memorial flagpole Present costs are about \$30 per month. Jere contacted Unitil and offered two options. The first option is to switch from commercial to residential which would cost about \$20 per month. The second option is to switch to a Unitil owned and maintained system which could cost about \$11 per month. Jere to pursue more information.

2. Town Hall flagpole Marty to contact some local electricians to take a look at the Town Hall flagpole lights as well as other Town Hall outside lights for the purpose of switching to LEDs. Will report back at the next meeting.

3. Solar Power Energy Websites for members to look at:
Revolution Solar Systems - <http://www.rev-en.com/> Solar Ray, Loudon Road, Concord
<http://www.spreadthesunshine.com/> ReVision (As a reminder)
<http://www.revisionenergy.com/index.php>

4. Bruce shared some information on ENH Power. Will follow through with feedback from members.

5. Town Hall heating system still needs to be discussed and addressed.

Next meeting to be Wednesday, August 14, at 6:30, at the Town Hall. Agenda items to include: Town Hall lighting, the Memorial flagpole, Revolution Solar Systems, Town Hall heating system, and anything else that comes before the Committee. Please send agenda items to Chairman Bender.
