SUPERVISORS OF THE CHECKLIST

IMPORTANT INFORMATION

Starting immediately the Supervisors of the Checklist will post all important election dates and any other important election information on the Website. The subscribers to the Website will be notified through the “News” link. This notice will refer the subscriber to the Supervisors of the Checklist and include the topic as much as practical, given the limited space on the notification.

The subscriber will then go to the Website, to the Boards and then to the Supervisors of the Checklist. In this screen there is a line indicating “Additional Links”. Listed and underlined will be the previously posted and/or new information that can be accessed for viewing.
