Webster Energy Committee Meeting Notes

The Webster Energy Committee went to the Warner Energy Committee meeting to learn more about how that committee is making a contribution to the community. Discussion included: fire station, rail trail continued work, solar array project, educating communities and community wood program.

The next Webster Energy Committee will be Wednesday, November 12, at 6:30 p.m. Agenda items will include: storm windows for Town Hall, Blackwater dam possibilities, responses to the Warner visit, and set up for an Andover visit. All members, as well as all others who may be interested, are welcome to attend.
