- One Purchase Order for Public Safety Building
- Petition & Pole License
- Elderly exemption

Intent-to-Excavate for Gary Hillsgrove was put on hold until meeting April 21.

Financial Administrator Ms. Pinkham presented the March month end budget report.

Lieutenant Mitchell delivered the Police Report. He stated that Chief Milano would present a more detailed report when he returned from vacation. Lieutenant Mitchell stated that our arrest totals at this date match those of June last year.

Deputy Fire Chief Jon King was in attendance and reported that all but one fire vehicle had been inspected.

Road Agent Emmett Bean reported that the roads are in good shape. He has done some grading and cold patches and will continue same.

The Board was informed that two Veteran's Exemptions were denied (one was erroneously approved last month). Explanatory letters were sent to the applicants.

Appointment for replacement of Gordon Welch for Landfill Committee was tabled to next meeting, April 21, 2008.

Planning Board Members Richard Doucette and Sue Rauth and Zoning Board Members Don Koberski and Pat Inman whose terms expired March 31, 2008, were reappointed. Zoning Board member Andrew Stout will not be returning. Selectman Dave Klumb was appointed as the Selectman representative to the Planning Board replacing Tom Mullins. Selectman Mullins will be the alternate.

Dave Klumb resigned from the Conservation Commission. Nancy Clark was appointed as his replacement. Betsy Jane-way and Jack Chwasciak were reappointed. Addition of any new members was put on hold.

All current members of the Joint Loss Management Committee were reappointed: Phil Mitchell, Judy Jones, Marge Blanchette and Adam Pouliot.

Investment Policy was tabled to the next meeting.

Michele St. Jacques was appointed and sworn in as the new Town Clerk to fulfill the balance of current Town Clerk term.

The Board was informed that James & Lianne Wind are using a driveway access off Gerrish Road. Their driveway permit was for Clothespin Bridge Road. This is a definite infraction. Selectman Mullins will contact Attorney Paul Sanderson at LGC to identify what enforcement action can be taken.

The Board has been made aware that there may be an unauthorized accessory apartment over the garage at 12 Centennial Drive. This property has recently been sold to people from Maryland; however, the previous owners are still living there until their new house has been completed. A letter will be sent (certified mail) to the new owners advising them that we have been made aware of this possibility and informing them that this is against our Zoning Ordinance.

The Board requested that the MRI report prepared by Carol Coppola, Sr. Associate, be sent on a CD to help in writing new policies.

7:58 P.M. Selectman Klumb made a motion to adjourn the meeting; seconded by Selectman Mullins and unanimously approved.
