## Webster Conservation Commission Agenda for Meeting 12 May 2021

Submitted by Dan Moran, Chair

Reading of the Governor's Order for Public Meetings during COVID-19 crisis

Roll Call WCC members present.

Review and Vote on the Minutes of 14 April 2021-Sue Rauth. Thank you!

Old/Continuing Business- Board Secretary of the Month is Linda Clark

- 1. Can we/should we create a list of trails in town that are available to the public? The WRLAC is interested in compiling such information from the towns along the Warner River (Sutton, Bradford, Warner. Hopkinton and Webster. Are there reasons to not do it? Who among us will volunteer to get to work on this?
- 2. Discussion of plans to promote Wetlands Ordinance to the citizens of Webster. I understand that The Planning Board is planning a vote on the Ordinance at their June meeting and a Public Hearing in September. Sue Rauth has resigned as Chair and has been replaced by Craig Fournier. There are two new members of the Planning Board, Sue? and Adam Mock.
- 3. Discussion of responsibilities and procedures of WCC for "Intent to Cut" applications submitted to the Town of Webster.

## Good Morning Dan,

Attached is the intent to cut for Mondays Select Board meeting (I may have sent this to you already). I also received a call from Wright Pierce Engineering they are the firm working with PVLD on replacing the pipes on Concord Dr. Collin Stewart is the contact and he was asking if the Conservation Commission had any input. His number is (603)570-7123.
