

**Webster Conservation Commission
13 December 2017**

Present: Sally, Linda, Chris, Isabel, Susan, Betsy, Mary Jo

Guests:

Agenda Item	Summary
1. Appoint Secretary	Mary Jo will take minutes. Meeting called to order at 7:05
2. Minutes from November	Betsy moved, Linda seconded and the motion passed
3. Correspondence	Clothespin Bridge – Mike Borack requested a withdrawal of our application to rebuild the bridge. The state will take over.
4. Master Plan Review	
5. Wetland Setbacks Warrant Article?	There is not enough time to get an article for the 2018 town meeting. Today is the last day. We will take it up in the spring
6. OHRV Ordinance	Susan is researching the existing law and report back.
7. DES Approvals:	Solar Array (construction is underway) Granite Roots Construction 132 New Hampshire Drive
8. Conservation Easement Monitoring	Betsy shared instructions for how to complete the easement monitoring. The WCC appreciates Betsy's efforts!
9. Dustin Road Wetlands Impact	There was a discussion around the wetlands application on Dustin Road. The planning board is following up to ensure that all DES approvals are in place.
Meeting was adjourned at 9:15	
<i>Minutes respectfully submitted by Mary Jo MacGowan</i>
