

Webster Conservation Commission
January 10, 2018

Present: Chris, Susan, Sally, Linda, Betsy, Isabel

Guests: Keith Rutherford, owner of Dustin Road lot;
Alden Boshman, KeyLand Design

Agenda Item	Summary
1. Appoint Secretary	Meeting called to order 7:05PM – Linda appointed
2. Minutes from December	Susan motion to accept minutes, Isabel seconded, minutes approved unanimously
3. Reconsider Rutherford proposed road/house plans for expedited approval	Reviewed and discussed maps/plans for Dustin Rd. which show installed silt fences minimizing impact on wetlands. Note: Keith acting as own contractor for driveway/house construction. Susan moved to expedite, Sally seconded, approved unanimously
4. Clothespin Bridge update	Committee to be formed to plan construction. A member from WCC requested to join. Betsy agreed to participate on our behalf.
5. Master Plan	1. Some discussion on overall content. Document needs a rewrite. Chris and Susan will edit, then send to all of us for our review and additional edits. 2. Overlay map of aquifer in district should be referenced in MP. The map itself should be displayed. Chris will arrange to have it laminated.
6. “Nextdoor” website	This is potentially a good way to communicate with members of the Webster community. Thanks to Sally, some of us have signed up. Sara Chalsma agreed to help act as “web master.” Sally will contact her to confirm.
7. Next meeting	Discuss Off-highway vehicle issue. Continue with Master Plan
Meeting was adjourned at : 9:00PM Minutes respectfully submitted by Linda
