

MINUTES OF THE WEBSTER CONSERVATION COMMISSION JULY 11, 2018

Present: MJ MacGowan, Chris Schadler, Bob Quinn (Alternate), Isabel Brintnall, Betsy Janeway, Linda Hoyt-Clark, and Sally Embley. Guest: Bianca Acebron Peco.

1. **Appoint Secretary-** Bob Quinn was appointed Secretary. The meeting was called to order at 7:03 p.m.
2. **Minutes-** The June 2018 minutes were accepted as written.
3. **New Correspondence** – None.
4. **Possible Conservation Easement at Walker Pond Road-** a landowner is interested in buying a couple of Town owned lots and creating a conservation easement on them. There was a discussion about this idea and we decided that the easiest and simplest idea is that the landowner should buy and hold the two small lots. A different landowner has asked about our thoughts on a sizeable tract of land suitable for conservation purposes. We decided the next step is to consult with a local land trust and get back to the landowner.
5. **New business-** There are ongoing discussions about the Town salt shed being moved.
6. **Scenic Roads Sub-Committee Draft Plan-** There is a meeting upcoming on July 17 though neither Betsy Janeway nor Bob Quinn can attend. Linda Hoyt-Clark volunteered to represent the WCC at the July 17 meeting.
7. **Master Plan- Conservation Chapter Final Review-** There was much discussion with the consensus that we have addressed most if not all of the important information and Sally volunteered to copy-edit the latest complete document. The next Master Plan meeting is on Tuesday, July 24.
8. **Meeting adjourned at 8:55 p.m.**

Minutes respectively submitted by Bob Quinn.
