

Energy Committee
Meeting Notes
February 12, 2014

Members in Attendance: Chairman Marty Bender, Selectman Bruce Johnson, Jere Buckley, Dee Blake.

Discussion of wood pellet warrant article and how to proceed. Discussion of public hearing input. Will continue with bidding process. Bruce to contact bidder for contract lines to allow 3 signatures.

Members to look into geothermal. Bruce to contact Dave Klumb for more information, and to extend an invitation to the next meeting.

Decision not to pursue looking into oil boiler replacement. It was determined that even more efficient boilers would not lead to worthwhile energy savings.

Bruce to contact insurance company to see if there are any concerns with the wood pellet boiler.

Next meeting, new date, March 5, 4 p.m. The purpose will be to discuss Town Meeting presentation. Considerations given to Powerpoint presentations and handouts. Also to discuss geothermal possibilities.
