

Energy Committee  
Meeting Notes  
April 9, 2014

Members in Attendance: Chairman Marty Bender, Selectman Bruce Johnson, Dee Blake, Jere Buckley.

Geothermal. Marty to contact Capitol Well to come to Town Hall and take a look. Marty also to attend the Local Energy Solutions event on Saturday and will look for further contacts.

Town Meeting presentation. Discussion on how to be better prepared next year. Marty shared that the PUC grant will most likely be available again next year.

Solar Energy. Discussion on using the Blackwater Dam property for net metering. Marty to contact Bob Dupuis to contact dam representatives to attend next meeting. Marty also to contact Revision for possible work for both Webster and the Town of Salisbury or other neighboring towns.

Memorial Flagpole. Needs new fixture, new pole, and new LED. Bruce to contact Wendy Pinkham to follow through.

Soccer Field. Bruce to confirm problem and to contact local contractor for possible correction.

Town Hall upstairs thermostat. Doesn't seem to have electrical connection. Bruce to contact Wendy to follow through.

Next meeting, May 14, 2014, 6:30 p.m. Agenda items to include:
