

Energy Committee
Meeting Notes
May 14, 2014

Members in Attendance: Chairman Marty Bender, Selectman Bruce Johnson, Dee Blake, Jere Buckley. Visitor: Joe Schmidl.

Wood Pellet Boiler – Jim Knight from Pelletco presented a wood pellet boiler proposal for the Town. This proposal includes the installation of a system with no up front costs but a lease of 10 years with the cost being 80% of present costs.

Geothermal - Marty to contact Revision Energy for a presentation at the next meeting. Marty also to contact Revision for solar work for both Salisbury and Webster.

Next meeting date TBD. Could be June 4 or June 18, or both, depending upon presentations. Stay tuned.
