

Energy Committee
Meeting Notes
June 18, 2014

Members in Attendance: Chairman Marty Bender, Selectman Bruce Johnson, Dee Blake, Jere Buckley.

Geothermal – Marty has been in contact with Ultra Geothermal. The representative requested a blower test in order to create an estimate of needs and costs. Marty to continue to contact additional geothermal companies for information, and to contact someone for a blower test estimate. Marty to also set up a presentation for the next meeting. Bruce to ask Select Board if there's an interest in a blower test and a complete Town Hall audit.

Wood Pellet Boiler – Bruce raised a few questions in response to the information, bid specs, and quotes from Pelletco. Marty to make contact and to request another presentation at the next meeting.

Total Town energy costs – The Select Board asked for this information. Bruce to contact Wendy Pinkham for assistance.

Army Corp of Engineers – Bruce to make contact.

Next meeting date will be Wednesday, July 30, 2014, at 6:30 p.m. Please note that this is a different date than usual. This will take place of both the usual July and August meeting dates so there will be only one meeting in the summer months. Agenda items to include: Geothermal presentation, Wood Pellet Boiler presentation, response on total Town energy costs, and response from the Army Corp of Engineers.
