

Energy Committee Meeting Notes  
February 25, 2020

Present: Marty Bender, Dee Blake, Jere Buckley, Dave Hemenway, Bruce Johnson,  
Guest State Representative Clyde Carson.

Chairman Bender opened the meeting at 6:30.

State Representative Clyde Carson presented Community Power New Hampshire. This is a municipal aggregation. If the Town purchased its total power together, then it could negotiate a better deal. Those who are not interested can opt out. Next steps: 1. Go to the Select Board, 2. Form a committee, 3. Make a decision, 4. Public Hearing, 5. Town Meeting vote. , Friday, June 5, Concord Summit.

Next Steps:

The Energy Committee will request meeting with the Select Board on April 6.

1. Community Power New Hampshire.
2. Town Hall thermostats.
3. Town Hall outside electrical sockets needing covers and foam insulation.

Safety Building.

Marty to set up an on-site visit to review heating systems. The goal to be ready with improvements whenever needed.

Meeting concluded at 7:55.
