

Town of Webster Energy Committee

Meeting Notes

January 8, 2014

Members in Attendance: Chairman Marty Bender, Selectman Bruce Johnson, Dee Blake.

1. Blackwater Dam Project – On hold.
2. Revolution Solar – Marty made first contact. Will continue to follow through and invite to the next meeting. Discussion on the Safety Building, and the cost options of proceeding with solar panels.
3. Town Hall Heating System – Wood pellet furnace possible cost \$60,000. Grant possibilities from PUC at \$20,000 and USDA unknown at this point. Marty to follow through with grant applications. Bruce to contact NHMA for proper warrant article wording.

Next meeting to be Wednesday, February 12, at 4 p.m., at the Town Hall. Agenda items to include: Revolution's presentation, Town Hall wood pellet furnace project, and anything else that comes before the Committee. Please send agenda items to Chairman Bender.
