Emergency Dial 911

March 16, 2020

To our Webster Residents

In light of the recent information concerning the COVID-19, I want to make you aware of any interaction between our officers and the public. Our officers will be practicing social distancing when taking police reports. We may see several people during our shift and want to keep everyone healthy. In some cases, we can take your report by phone so feel free to call dispatch and ask that an officer call you back. If you want an officer to respond, please don't be offended if the officer doesn't shake your hand as hand shaking is suspected of spreading the virus. Thank you for your understanding and feel free to call if you need anything.

A handwritten signature in black ink, appearing to read "Stephen P. Adams".

Chief Stephen P. Adams
