**MEETING MINUTES THURSDAY MAY 19, 2022**

1 The Planning Board held a meeting on Thursday, May 19, 2022. The meeting was held at the Town Hall  
2 in the Grange Hall; 945 Battle Street, Webster, NH 03303.

3  
4 **Planning Board Members present:** Craig Fournier, Paul King, Susan Youngs, Marlo Herrick.

5  
6 **Also, present:** Land Use Coordinator Russell Tatro, Jerri Buckley

7  
8 Chairperson Fournier opened the May 19, 2022 meeting at 6:30pm and took attendance. Members Adam  
9 Mock and Kathy Bacon were absent. He then moved onto the first item on the agenda, the driveway  
10 discussion for Robert Wolinski.

11  
12 Coordinator Tatro informed the Board that he had talked to Robert Wolinski about the second driveway  
13 that had been constructed on his lot and he had suggested that Mr. Wolinski come to the meeting.  
14 However, Mr. Wolinski was not in attendance. Member King stated that he had received the application  
15 for a second driveway cut in January and had not approved the application because the lot did not meet  
16 the frontage requirements for a second cut. Member Herrick asked if the main issue was the frontage or  
17 the line or sight. Member King said it was a frontage issue and he didn't want to set a precedent by  
18 allowing the driveway. The Board agreed with his assessment and felt that they should send a letter to Mr.  
19 Wolinski informing him to either remove the driveway or go before the Zoning Board for a variance.

36 Chairperson Fournier moved to the next item on the agenda, the Debello Boundary Monument.

37  
38 Chairperson Fournier stated that the Scott Frankiewicz had submitted a letter to the Board requesting that  
39 they waive the standard Granite Monument because of a boulder that could not be moved. He wished to  
40 use the provisions in the subdivision regulations Section 8.6 Subsection F. This allowed for the use of an  
41 iron pin in the event of ledge or an unmovable boulder. The Board discussed the request and agreed to  
42 grant it.

 8 were allowed in the Town’s Zoning Ordinance. Chairperson Fournier stated that they were allowed and  
 9 had happened in the past. Coordinator Tatro had discussed the issue with Cemetery Trustee Brenda Silver  
 10 and she had informed him that there were State laws that governed the process. Chairperson Fournier  
 11 stated that his one concern was about continued maintenance. He wanted to make sure that the Town did  
 12 not end up paying to maintain family cemeteries. The Board then briefly discussed the laws regarding  
 13 family cemeteries and the maintenance requirements.
